Call to Worship:

One: The power of dreams lies in waking up. When we close our eyes,

All: We can see a better world.

One: When we close our eyes,

All: We can dare to dream

One: When we open our eyes,

All: We begin the work of faith.

One: The power of worship is the same. When we enter this time,

All: We can see a better world.

One: When we enter this time,

All: We dare to dream a better dream.

One: But when we leave this time,

All: We begin the work of faith.

One: So come in. Dream your dream.

All: Find hope here and when we leave, let us begin the work of faith by putting faith in action.

Opening Prayer: (*unison*)

All: Original Dreamer, over and over again in scripture, we hear your dream for a beautiful world. We hear your dream for peace and reconciliation. We hear your dream for harmony and togetherness. We hear your dream for

community and hope. We hear your dreams and your call for us to live out the dream. Kindle a hope in us and give us the strength to sustain the energy that this time together as a region has given us so that we can carry hope with us as we go forward to put our faith in action and be a part of your original dream. We pray this in the name of the one whose name we are called, Jesus Christ. Amen.
